Dear Mr. Tatro:

Receipt of your letter of 22 September 1980 is acknowledged.

This office has neither the records nor additional information concerning Contract DA-23-196-ORD-67. Your second inquiry, like the first, has therefore been referred to the National Archives and Records Service, which is, as explained to you in my letter of 3 September 1980, the custodian of the Warren Commission, the Select Committee of the House Records, as well as Ordnance Records.

However much I would like to render additional assistance on this matter, I am unable to do so in the absence of reference material on the subject.

Sincerely,

Dale Birdsell
